## General Information

### Time Labels

The following labels indicate the time standards used in this schedule:

**MDT** Mountain daylight time—local time in Salt Lake City, Utah, United States of America, with daylight saving time in effect.

**UTC** Coordinated Universal Time—the international time standard.

### Closed-Captioning

Closed-captioning for the hearing impaired is available in many areas. Where available, it is provided in English on closed-caption channel 1 (CC1) and in Spanish on closed-caption channel 2 (CC2). If closed-captioning is available in your area, please set up a television set for those who need this service. For technical assistance, call the help desk at the number listed in the *General Satellite Program Instructions for the Stake Technology Specialist*, located near the satellite receiver.
